Allowable Subject Matter

1. Claims 1-14 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art (WO 01/20912) closest to the present invention belongs to the same assignee. The prior art and the present invention utilize similar algorithm for identifying block artifacts in the digital video pictures. However, Examiner fails to ascertain from the prior art disclosure or suggestion the limitations of "...using first and second loops for each of horizontal and vertical count table entries, the first loop being adapted to increase the count table entries up to the length of a remainder value of a detected artifact value and the second loop being adapted to increase the count table entries using a quotient value of a detected artifact value" as recited in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
